

I have been listening to K-LOVE radio for 3 years now. K-LOVE utilizes FM translator service, which is in jeopardy under this proceeding. As an active duty military member, I move every 2-3 years and finding a good Christian music station has been very difficult in many of the areas where I've been stationed. K-LOVE is so much more than just a radio station...it has had a profound impact on my life and the lives of thousands of other listeners. FM translation is an incredible service that allows the music, prayer, teaching, and support of K-LOVE to reach literally hundreds of thousands of people who are looking for more out of life. The fact that K-LOVE is completely sponsored by it's listeners is testimony to the fact that there is plenty of support for this station...enough to warrant keeping this service. Thank you for providing us the opportunity to voice our opinion.
